Faith by Attila Stromajer

Attila Stromajer Creates The Faith Standing Lamp

Attila Stromajer, the project leader of the award winning project Attila Stromajer's Faith Standing lamp illustrates, This lamp creates the ambiance for contemplation and symbolizes the significance of faith modified to suit modern time. People need stability and calmness in ever changing fast-paced and information-packed world. This lamp was made of ash wood, the bottom is stainless steel. It has three LED circuits, what you can set separately by a remote control. The diversely adjustable illuminants give many options for altering the lights expanding the mode of action from soft mood to full illumination. It can be placed on the wall with a console..
